Please read this agreement before installing or using the font software described in the Order Summary (collectively “the Fonts”) and owned, licensed, or distributed by XYZ Type LLC (“We”, “Us” or “Our”). This End-User License Agreement (“Agreement”) outlines what you as a user (“You” or “Your”) can and cannot do with the Fonts. The Order Summary is incorporated into and made part of this Agreement.

1. GRANT OF LICENSE

This Agreement grants You a perpetual license to use the Fonts (“License”) as webfonts only and as specified in this Agreement and in the Order Summary. This license grants you the right to use the Fonts to style HTML and SVG documents using the CSS @font-face mechanism. Other embedding or linking uses or techniques, such as PDF, EPUB, iOS and/or Android native applications, Cufón or sIFR, are not permitted under this license. A license for additional types of use, including on computers or in applications, may be purchased from Us separately.

This non-transferable License may only be used by You on one domain for the maximum number of page views per month as specified in the Order Summary. To use the fonts on additional domains not specified, an additional Web license must be purchased from Us separately. A page view is defined as a request to load a page that references the Fonts via the CSS @font-face mechanism. If the maximum number of allowed page views is exceeded for three consecutive months an additional license is required. You agree to provide a report of your page view counts at our request. Any process, technique or device such as hot-linking, re-serving or re-directing that allows access to and/or use of the Fonts by unlicensed parties is strictly prohibited.
